

Hey, soccer player! Have you heard? There's a New Indoor Soccer League in North Alabama!

- The North Alabama *FUTSAL* league will begin registering teams soon for their debut indoor soccer season in the winter of 2013/14. Sanctioned by the US Futsal Federation (USFF), this is a legitimate league with proper coaching, standard FIFA futsal rules, certified officiating, insurance, and trusted competitive enjoyment.
- *Be part of the best venue for winter indoor soccer practice and exciting competitive games by being part of the first Alabama standard futsal league, North Alabama FUTSAL.*
- North Alabama *FUTSAL* is now matching player interest with available indoor facilities. Tell your family, your coach, your team manager, your club president, your city councilman, your mayor that you want a permanent facility to play futsal. This first season games will be played in basketball gyms, on indoor volleyball courts, and possibly on a roller hockey rink.
- You do NOT want to miss this! Stay tuned for the latest developments by following North Alabama *FUTSAL* on Facebook and Twitter.
